Since 1869

### Champions Give Fine Show For Tahoe Ski Meet

#### Bill Campbell Is Crowned As Champion In Class A

Billy Campbell, Truckee Outing Club ski jumping star, annexed the Far West Ski Association's Class A title on the Lake Tahoe Ski Club's Olympic Hill Sunday, crowning a series of first places at other meets.

Campbell termed the Tahoe Hill "the best I've ever jumped from."

James Baker of Lake Tahoe Ski Club was second and Don Johnson of Sun Valley, third in Class A.

#### Youngster Wins

David Miles of Kings Beach narrowly edged Donald Stark of Tahoe to win the Baker Cup in the novice event for jumpers under 12 years of age. Dick Dornworth of White Hills was third and Lief Nielsen of Tahoe fourth.

The Class D state championship on Saturday was won by Jerry Quam of Lake Tahoe, Lewis Fellows of Carnelian Bay was second and Jay Stuart of Tahoe third. Others in the field were Leonard Fuson and Cliff Dockham, Tahoe; Dan Hagstrom of Truckee and Ronnie Perretti of White Hills.

#### Cross Country

The cross country race over approximately 7½ miles was run on Saturday morning with nine men entered. The course was laid out by Victor Wikander, Lake Tahoe Ski Club's senior member. He presented the club with a perpetual trophy about three feet in height which will remain in the club's possession and upon which the name of each first place winner of the Tahoe cross country meet will be engraved annually.

Don Johnson took the event in one hour, three minutes and 44 seconds. Others, in order of place, were John Burton, Bush Lake, Minn.; Dave Shaw, Sun Valley; Bob Sanderson, Minnesota; Paul Wegeman, Sun Valley; Oliver Henriksen, Tahoe; Terry Toller-son, Tahoe; Bob Wilson and Roger Wickman, College of Pacific.

Ernie Hill of Truckee Outing Club received a bad spill and a broken ankle Saturday while practicing on the big hill.

#### More Sunday

A larger crowd was on hand Sunday to witness the A, B and veterans jumping. The day was opened by the arrival of Queen Shirley Flagg with Harry Johanson's dog team.

Max Straubhaar of Lake Tahoe Ski Club won the veteran class event with Roy Mikkelsen and Ronald Mangseth of Auburn second and third.

Class B went to Chester Zober-erki of Auburn with Martin Oroz of Douglas Ski Club a close second and Paul Wegeman of Sun Valley third. Others in the B field by clubs were Art Hill and Frank Borneman of Truckee; Oliver Henriksen and Dick Car-nell of Tahoe; Bob Sanderson and John Burton, Bush Lake, Minn.; Dave Shaw, Sun Valley and Bud Schoenfeld, White Hills.

Toller-son Tops Again  
Tahoe's Terry Toller-son was Class C winner with Herb Cope-land of Truckee second and Jim Morhain of Tahoe third.

In the combined events, John-son of Sun Valley was first, Bur-ton second and Shaw third. In an exhibition Zober-erki soared 185 feet for the longest leap of the two-day meet.

Trophies were awarded winners by Miss Flagg following the banquet Sunday evening at Ta-hoe Inn. Skiing songs were sung by the crowd led by Bill Bechold and Gerry Waters with Mrs. John Flagg at the piano.

### Floriston Woman Sees Father After 30 Years

FLORISTON—Mrs. John Knapp of Floriston was greatly surprised and excited this week by a visit from her father, Wm. H. Goke of Stockton, whom she had not seen in thirty years.

Mrs. Knapp moved to this part of the country about four years ago and did not know at that time that her father was in the west.

### Three Victories Scored By Local Basketball Crew

#### High Schoolers Clicking With Two More To Go

Truckee's basketball teams this week brought three more victories to the local colors.

The high school boys hit their stride after a series of narrow defeats. Teamwork training by Coach Rufus Gregory paid off last Friday night when his boys downed Monague, a Sparks parochial school, 48 to 39 and again Tuesday night when they measured the Sparks High School Bees 35 to 26.

Meanwhile, the Legion's town team traveled to Lovelock on Saturday night and gained revenge for the defeat they suffered on their home court the week before. The Lovelock quintet held an 8 to 4 lead at the quarter and 13 to 8 at the half. Truckee pulled ahead 18 to 19 in the third stanza and won 31 to 25. This victory assured our heroes a place in the Lovelock tournament March 17, 18 and 19 which will wind up the 1949 season.

So far the local town team has 11 wins against eight losses for the season with two more games scheduled.

At 6:30 Saturday night, the first of two games between Truckee and Colfax Legion teams and the respective towns' high school boys will take to the court here ahead of the Dog Derby Mush-ers' Ball.

On Saturday night, March 12, the home court season will wind up with a similar double header against two teams from Con-cord, Calif. Manager John Rau of the Legion basketball com-mittee reports that a special event will feature the brief in-termission period between these two games.

### Knights, Sisters Slate Joint Social Affair

The Knights of Pythias and Pythian Sisters will hold a joint social meeting on Friday, March 11, at the IOOF hall, according to R. B. Tonini, chairman for the Knights. The Sisters will prepare a dinner to be served at 7 p.m. to be followed by playing of games and visiting.

At the meeting of Summit Lodge 54, KP, last Friday night R. P. Bick and Karl Weeks were named delegates to Grand Lodge to be held at Hoberg's in Lake County during May. Frank Gai-en-nie and Wm. Englehart were named as alternates and Douglas Barrett was recommended for retention as lodge deputy grand chancellor.

### Spring Has Sprung, Robins Are Seen

Concrete evidence that spring has sprung was reported this week by Mrs. Ethel Buell who saw not one but three red breasted robins perched in their apple tree chatting with Amber, the family cat, who swished her tail as she looked longingly up from the ground.

### Tahoe Civic Problems Legislative Concerns

Fire, police and sanitation problems of the Nevada shore of Lake Tahoe are the special fields of a legislative committee set up in the Nevada State Senate this week.

On the committee are Senators Ken Johnson of Ormsby County, Fred Settlemeyer of Douglas County and E. Frandsen Loomis of Washoe County. The senators will work with a similar committee expected to be set up by the California legislature. They will make their report in the 1951 session of the legislature.

#### Seismologist Visits—

Prof. Vincent Gianella, University of Nevada seismologist, was a visitor in Truckee and vicinity Sunday investigating the effects of the winter earthquakes.

Return from City—

### Board Approves Hospital Election In Regular Meet

#### Ballotting Will Come Early in April, Says Little

The Nevada County Board of Supervisors yesterday afternoon approved a petition calling for an election to determine whether or not the Tahoe Forest Hospital District shall be formed.

The election, according to R. N. Little, Truckee chairman for the hospital district committee, will be held shortly after the first of April.

Three members of the board, Warren Odell, Carl Toblissen and H. G. Loehr, voted in favor of approving the resolution and Carrie Arbogast and Frank Rowe declined to vote, according to word from the meeting.

The district is proposed to provide this area with a modern hospital plant.

### Pioneer Woman Of Hobart Dies

Funeral services were held at the Truckee Colonial Mortuary on Monday afternoon for Miss Sophia McLeod, 76, a native of Sierra Valley and resident of the Hobart Mills area for the past 48 years who died at her home one day last week.

The body of the aged woman was found Thursday evening by George Campbell, resident of Hobart Mills, who frequently called at the McLeod dwelling to see if the lone occupant was in need.

For many years Miss McLeod had lived alone in the large house which, in the early 1900's, was known as the Klondike Hotel. When Hobart Mills closed as an active community in 1936, Miss McLeod declined to leave, preferring to remain in her home which is more or less isolated but where she managed to fend for herself, making infrequent trips to Truckee for mail and supplies.

Four Hobart Mills residents with a tractor and other heavy equipment opened the road to the house Friday so that the body could be removed. Dr. J. H. Bernhard made the investigation and said he believed death was due to pneumonia and exposure.

Miss McLeod was born March 7, 1871 of pioneer California parents. She leaves two sisters, Mrs. Albert Davis of Stool-ton and Mrs. Jesse Newman of Sun-ville, who were here to arrange for the funeral.

Rev. Oscar Swenson of the Community Church officiated at the rites and burial was in the Truckee cemetery.

### Rifle and Pistol Club To Meet Friday Eve

Game Warden Tom Borneman announced that a meeting of the Rifle and Pistol Club will be held at Veterans Memorial Hall Friday evening at 7:30 o'clock and everyone interested is invited to participate.

The meeting is expected to result in a permanent organization and all members of the National Rifle Association are asked to bring their membership cards. A discussion will be held regarding the rifle and pistol ranges and other matters of interest to the organization, including by-laws, election of officers and general business will occupy the evening.

### First Daughter Born To Family on Feb. 26

Mr. and Mrs. William Reisinger are the proud parents of a daughter, Katherine Inez, born Saturday, February 26 at Reno. The little girl weighed 7 pounds and 4 ounces at birth. She is welcomed into the family by two brothers, Dennis, aged 8 and Derald, 4½ years old.

#### Dealer Here—

Henry Wittich, Colfax Ford dealer, was here this week to confer with his Truckee representative Tex Garrett and to inter-view prospective buyers.

### Sun Beams

by Walter M. Barrett

It would be difficult to evaluate the favorable publicity which has been given Truckee through the efforts of the committees working on promoting the Sierra Dog Derby to be held here on Saturday and Sunday. Metro-politan dailies, weeklies and ra-dios throughout the west have publicized the event in columns which could not be purchased at any price, and the program planned is expected to amply justify this wide-spread pub-licity. In their desire to make the derby an annual event, we be-lieve the organization has hit upon a real service to the com-munity.

Although still early in the season, a stir of activity among re-sorts at Lake Tahoe which have been closed since last fall, is a sure harbinger of spring. Other resorts have remained open all during the winter catering to the snow enthusiasts and these too are starting preparations for the usual busy summer season through improvements and alter-ations. It is hard to predict whether business at Tahoe will be better or worse than in recent boom years but owners are mak-ing preparations with every sign pointing to increased patron-age in the west's leading vaca-tion area.

With the heavy snow pack di-minishing under the spring-like weather, we are all happy to for-get the inconveniences and dis-comforts of the "toughest" win-ter in history. There is some-thing, however, that we should not forget and that is work done by local crews in battling con-stantly to keep our streets and roads open. To Supervisor Henry Loehr who, with a minimum of finance allowed his district, did a swell job of snow removal under conditions that might eas-ily have balked a less determined man, we extend the community's vote of thanks for a tough job well done. And to Tom Buell and his division of highway crews for their excellent work in keep-ing the highways and main streets cleared despite the un-usual conditions goes the same vote of appreciation.

### SKI POSSE MEETS, MAKES PLANS FOR ACTIVE PROGRAM

Under the leadership of Cap-tains E. E. Boehm and William Curran, the Nevada County Sher-iff's Ski Posse reorganized at a meeting at Goodfellow's Coffee Shop Friday evening. Seven new members were added to bring the roster up to the limited num-ber of 22.

The next meeting will be fea-tured by an emergency test to be set up by the two captains. While the ranger station will be official headquarters, members will as-semble at the fire station in emer-gencies.

The seven new members are Erving Waters, Oliver and Ed Crandall, Lloyd Van Sickle, Steve Kolos, Reg Smart and Loren Vertner. The latter was named adjutant of the group and the lieutenants are Robert Seibold, Tom Borneman and Oscar Schu-macher. Cecil Clepper was named to head the radio division.

The posse will have a float in the Dog Derby parade and will also have charge of ticket sales and collections during the pro-gram. An official emblem and uniform were adopted and other group projects discussed.

### Legion to Supply Flag Squad For Parade

Truckee Post 439, American Legion, met Tuesday night and voted to supply the colors and guard for the Dog Derby parade here Sunday morning. Named on the squad were Frank Giovannoni, John Rau, Wayne Philippi and Nick Sassarini. Commander Giovannoni presided at the brief meeting and refreshments were served following this session.

Mr. and Mrs. Harold Langille returned Monday from a business trip in the bay district.

### Tahoe-Truckee School Board Organizes Here

#### Martin and Iardi Draw Four-Year Terms On Tuesday

With the election of Walter A. Loynd of Truckee as chair-man, the trustees of the Tahoe-Truckee Unified School District held a special meeting Tuesday evening at the grammar school to discuss various problems and programs facing the district. William Rutherford of Soda Springs was chosen as tempo-rary clerk of the board.

The name Tahoe-Truckee Uni-fied School District was decided upon after a number of sugges-tions had been considered. The name, the board decided, iden-tifies the district with two wide-ly known established areas.

In drawing lots for the four terms set up by the school code, Stanley Martin of Tahoe and Eugene Iardi of Truckee drew the two four-year terms, Loynd the three years, Thomas Lucas of Kings Beach two years and Rutherford the one year term.

The board briefly discussed a site for a proposed school plant, which must contain at least 15 acres but should have between 25 and 50 acres for the antici-pated development. The final de-cision on this project must be made by the school planning commission of the state. Sug-gestions, however, are asked and the board decided to solicit pro-posals from the civic organiza-tions and individuals of the dis-trict in bringing about a site satisfactory to as many as possi-ble.

Albert Bequette, Placer County superintendent of schools, was unable to be present at Tues-day's meeting and official deci-sions on teacher employment and other technical matters were deferred until the next meeting on March 22 when it is hoped a district superintendent can be chosen from the several appli-cations now on file.

The board set the second Mon-day in each month as the reg-ular meeting date with other meetings to be called as required to handle the volume of busi-ness which faces the board under the new setup.

Anyone interested in the de-velopment of the district is in- vited to attend these meetings and public notice will be given prior to each session, Loynd de-clared.

Complete harmony among the members was apparent at Tues-day's meeting of the board and it is evident that they will con-tinue to work in a concerted effort for the best interests of the district they represent.

Vern Sadocchi took pictures of the new board during the session.

### Mrs. Roy Waters Is Shower Honoree

Mrs. Roy Waters was honored at a party given on Monday evening by Mesdames N. F. Dolley, Glenn Leavitt and Rufus Gregory in the home of the latter. Pink roses, lilies of the valley and stock were effectively used in the center pieces and pink with white colored appointments.

A large basket decorated in pink held the dainty gifts given to the honoree. Games were played and delicious refreshments were served. The friends invited were Mesdames Cecil Clepper, Charles Beyer, R. R. Rockholm, F. Rockholm, Walter Loynd, Elden Tonini, William Waters and Angelo Besio.

### Truckee Precipitation Is Still Below Normal

With only 4.99 inches of pre-cipitation during February, the month ran 30 of an inch under normal and at the present time the season total is 1.26 inches under normal, William Curran of the Forest Service reports. The present accumulated total for the season is 18.48.

Light snow was falling yester-day keeping the pack on the ground here at 40 inches.

## Truckee Prepared For Dog Derby, Ski Meet Here Over Weekend

A festive atmosphere will predominate in Truckee this week end when the first annual Sierra Dog Derby will be held on a prepared field south of Truckee. Eight purebred dog teams, piloted by drivers of long experience, have been entered to compete in the big main event of the two-day celebration.

Final details for programming the events were completed this week when committee chairmen submitted reports indicating all is in readiness for the affair.

At least six queens—representing Truckee, Tahoe, Donner Sum-mit, Reno and other areas and clubs will be judged on Saturday evening and the results announ-ced at the two dances to be held that evening—an old fashioned dance at Capitol Hall and the Dog Musher's Ball at Veterans Memorial Building. A dance Fri-day night at Capitol Hall is ex-pected to attract early arrivals.

**Night Ski Jumping**  
The program will get underway Saturday afternoon at one o'clock with the program at the race track. Kid races, horse-drawn skiers and the first running of the 11-mile championship pure-bred races will occupy the after-noon. In the evening three stars of Hollywood have promised to entertain at the queen contest. This will be followed immediately by a night ski jumping tourna-ment, sponsored by the Truckee Outing Club and will feature some of the outstanding ski stars of the west.

**NEVADAN MAKES SPECIAL CACHET FOR DOG RACES**  
Paul Smith of Virginia City, Nev., will design and sponsor a special cachet in connection with the Sierra Dog Derby at Truckee on March 5 and 6. For those not familiar with stamp collecting, a cachet is an envelope bearing a special de-sign and post mark which is sent to collectors for a small fee. Collectors desiring this ca-chet may communicate with the designer at Virginia City.

**Red Cross Will Ask Local Aid**  
Mrs. N. F. Dolley, chairman of the Red Cross drive for funds which began Tues-day, March 1, an-nounces the names of the following wor-kers and the dis-tricts they will cover to receive contributions to swell the quota:

Mrs. Walter Loynd, Gateway Park; Mrs. Frank Gaiennie, Church Street and Trout Creek district; Mesdames Rufus Greg-ory and Al Pfandler, River Street; Mesdames Frank Giovan-noni and John Rablin, the hill district located back of Truckee's main street; Mrs. Fuller Woodie, Meadow Lake Park; Mrs. Verne Whitten, Norden district; Mrs. Ed Culbertson, Brickleton and Mrs. Dolbey, Commercial Row.

Women workers will volunteer to accept funds in the post office and the Bank of America during their office hours through the campaign.

**TRUCKEE, SUMMIT GIVE FREELY TO MARCH OF DIMES**  
The Truckee and Donner Sum-mit areas again have exceeded their quota in a humanitarian endeavor. In the recent March of Dimes campaign to secure funds for the fight against infantile paralysis, the area contributed \$631.33. This was despite unusually miserable weather which prevailed through-out the month of January and early February when the drive was on and without the usual personal solicitation of business firms.

The largest amount of the total came from Truckee where nearly \$400 was contributed through various methods which included nearly \$30 from the local gram-mar school youngsters, \$100 from the Donner Theater and more than \$40 collected in a canvass by Roland Gautsche, local grammar school boy.

Mrs. Verne Whitten, who an-nually handles the collections at Norden, reported a deposit of \$30 and Soda Springs and other Don-ner Summit communities added the balance through the coopera-tion of Mrs. Arthur Couillard and California Highway Patrolmen.

The money raised here was sent this week to Nevada City. Half of it will remain in the county for local cases and the other half will go to the National Founda-tion for research and emergency relief.

**Dale Eaton's Birthday Party on Last Sunday**  
Dale Eaton was the guest of honor at a party given in the home of his parents Mr. and Mrs. Harry Eaton on Sunday after-noon, February 27 to mark his seventh birthday. Eight boys and girls were present to share the decorated cake and the festivities of the occasion.

**State Trapper Reports Varmint Bag in Month**  
State Trapper Gil Berg of Truckee reported the following bag of predatory animals in this district for February: two coy-otes, one raccoon, a skunk and two wild housecats.

**Back Home—**  
Mrs. John Moro has returned to Truckee following a vacation with relatives in Sacramento. While there she was guest of honor at a birthday party on February 2 at which 45 of her friends feted her.

### Squaw Valley Resort Planned As Best In United States

TAHOE—Long before the snow will have melted from the slopes of 8900-foot Squaw Peak work will be started there by the newly organized Squaw Valley Development Company, according to Wayne Poulsen, president of the organization which plans to erect one of the largest and most beautiful skiing resorts in the nation.

Alexander Cushing of New York is secretary-treasurer and Courtland Hill, president of the Far West Ski Association, is chairman of the board. The company is capitalized at \$300,000 and many of the stockholders are easterners, Poulsen said. They include Lawrence Rockefeller of

New York, Dr. Frank Howard, well known photographer who will record via movies the entire Squaw Valley project, Captain Jack Hamilton and Captain Bob Howard of Pan-American Airways and Jack Starratt of Tahoe City, he stated.

### Road Nears Completion

The road to Squaw Valley was constructed last fall by Thomas Brothers of Tahoe and all but two and a half miles has been gravelled. Two concrete bridges were erected across Squaw Creek which, like the road, winds through the picturesque valley. The road to the resort site branches off Highway 89 about midway between Truckee and Tahoe in a westerly direction.

Eighteen hundred acres in the area are being subdivided into acre plots for homesites. Pros-

pective residents are Mr. and Mrs. Wayne Poulsen and family who have chosen a site in the meadow across the creek near the base of the mountain and who plan to reside there the year around; Mr. and Mrs. Russell Poulsen and Mr. and Mrs. Fraser West, all of Reno; the Alexander Cushings of New York; Martin Arrouge and his wife Norma Shearer of Santa Monica; the R. T. Leonards of Palo Alto and Capt. and Mrs. Robert Howard of Burlingame.

### Praised by Expert

On Wednesday of last week Andre Roche of Switzerland accompanied Poulsen to Squaw Valley via weasel to look over the site of the resort and giant ski lift. Roche is the Swiss government's technical expert on snow research and avalanches, who was brought to America by the National Ski Patrol. Roche was well pleased with the Squaw Valley setup but advised that the double chair lift the company plans to install on Squaw Peak at an estimated cost of \$150,000 be run clear to the top of the peak instead of to the 7500-foot level as originally planned.

Poulsen declares that this double chair lift when completed will be the longest such ski lift in this country. It will be possible to accommodate 600 skiers an hour and there will be two intermediate "on and off" stations, not including the top and bottom. The construction of the lift is now under way at Denver, Poulsen said.

The lower section of the mountain is especially suited to intermediate skiers while the upper strata from where Lake Tahoe may be seen in the distance will provide a long, fast run for experts. Another fast run for the experienced will start at the top of Deer Park, down newly named Shirley Canyon into Squaw Valley.

Poulsen discloses that the main resort building, which will nestle near the foot of the mountains, will be constructed in modern Swiss design with 3500 square feet of space on the lower floor. In this will be included a large warming lounge with circular center-of-the-room fireplace, bar, restaurant, ski shop and locker and rest rooms. The second floor may not be completed until a later date, depending on building costs. Frank W. Green of Reno and Los Angeles submitted the blue prints now under consideration.

### Tahoe Folks Feted On Birthdays

TAHOE—The birthday of Don Snyder of Lake Forest on last Thursday night was the occasion for a gala surprise party. Guests gathered at Celeste's and Verne's and in a unit arrived at the Snyder home to surprise the honoree. Attending were Messrs. and Mesdames Verne Daniels, Don Bowman, Jess Brown, Ray Frazier, Cecil Dempsey, A. M. Henry, Pascal Huega, Steve Korich, Frank Kennedy and Don Snyder and Miss Florence Vernon, Terry Tollerfson, Bob Snyder and Mrs. Ruth Hatch.

Robert French, who was 18 on Friday, February 25, was given a party at the home of his parents Mr. and Mrs. Roy French of Tahoe Park to celebrate the occasion. Dinner was served the following at the honoree's home: Carolyn Sturgis, Myra Lee Pollett, Collette Morhain, Oliver Henrikson, James Baker, Terry Tollerfson, James Morhain, Fred Holt and Mr. and Mrs. Ralph Sturgis.

Mr. and Mrs. Albert Martin of Sacramento spent the weekend at the home of her mother, Mrs. Dot Dempsey of Tahoe City and attended the ski meet at Olympic Hill while in the region.

## North Tahoe

by DOT O'BRIEN

The Mothers Club held its annual dinner and pre-season hat parade last Thursday night at the Gables in Kings Beach. Sixty women of the community attended the affair and the new hats were simply out of this world. The outgoing president wore the original cabbage head, beautiful with black velvet and cabbage leaves. Buttons and bows dressed the head of one fair lady. Bird nests complete with trimmings, lamp shades, work baskets, paper napkins, plates and straws, and so on. The prize for the most beautiful creation, a table mat decorated with brilliant geraniums, was won by Mrs. Ivan Parr. Prize for the most original went to Mrs. Kay

Wing for her arrangement of a bear paw snowshoe complete with all winter accessories including the snow. Booby prize was well won by Pauline Noel's intricate design of domestic tissue arranged in rosettes and a roll perched on one side. Nosegays for each lady were of narcissus and acacia bloom, arranged by Mrs. Marian Seymour.

Dinner was featured by fried chicken a la Bowman. The program continued through the meal with a recitation by Nina Sorenson. Mrs. Sorenson also gave a history of the club and its activities. A recitation by Mrs. A. Scott brought laughs from everyone. Mrs. Mary Abbott spoke on Brotherhood Week and Mrs. Flora Miles on Unity of Organization.

Gifts were presented to the outgoing officers and installation of new officers was impressive. A costume skit was presented by Alice Davis and Dorothy O'Brien. After the gavel was turned over to the new president Mrs. Alice Sorenson a brief business meeting was held. A beautiful banquet teapot was presented to the club by Mrs. Garrow.

About 140 adults and 70 children relished the big spaghetti dinner last Saturday evening. Mrs. Mason's sauce combined with meat balls as prepared by Tresa Sutton made a perfect combination. Pies and cakes donated by the women of the community added the finishing touch. After dinner Russ Farley repeated the showing of his hunting movies and dancing completed the entertainment with music furnished by those masters of jazz Mizner and Shook. Thanks again, Ruth and Leon.

The entire community is proud of David Miles. Eleven years old and a grand boy all around, he won the novice jump and the James Baker Trophy at the ski meet at Tahoe City last weekend. Several from the North Tahoe Rotary attended the second anniversary party of the south end club Saturday night at Sky Harbor. Speakers of the evening were Attorney General Alan Bible of Nevada and Link Peckenhaf, Rotary district governor from Quincy. Attending from this area were Messrs. and Mesdames Mulford Miles of Kings Beach, Dick Boyce of Carnelian Bay, Ken Steddom, Basil Kehoe and Dennis Sach of Tahoe City.

Mrs. Mary Gallerani returned home this week to find her daughter Irene in a Reno hospital. Irene was rushed over last Thursday and an emergency appendectomy performed at once. Her surgeon says she is recovering nicely and will be able to return home this week.

Dick Astle has been in Sacramento for the past week. Connie Throop left for Arcata

## Taboe Letter

FROM SWANEE

Tahoe, Calif., Feb. 28

Dear Tahoeites:

Looking at the date reminds me that Mrs. Annie Soll of Tahoe Pines this year will have to forego a birthday. She was a Leap Year baby and finds no February 29 on her 1949 calendar. And little Pat Dempsey, son of the Lincoln Dempseys of Lake Forest is another who will have a birthday only every fourth year.

The Lake Tahoe Ski Club state championship jumping events are over and on every tongue there is highest commendation for a grand show and well conducted meet. No waiting on the hill for jumpers, no late starting of events and an excellent public address system loaned by Gerry Waters who also served as announcer. The weather was grand despite a light snow fall over Saturday night which covered icy spots on the jump with a velvet carpet. One new Lake Tahoe Ski Club member who joined Sunday night is Miss Ursula Berger of Colusa who will ski for the Tahoe Club next winter in competition. She is a native of Switzerland and has had many years skiing experience.

A number of visiting masculine contestants attended the ski club meeting Friday night and brought along with them their knitting! I learned two of them were Dave Shaw and Paul Wege-

Wednesday after recovering from a serious infection and will continue her school work by attending night school as her illness prevented her from leaving in time for the spring semester at Humboldt State.

Bob Moore of Kings Beach is in Oak Knoll Hospital in San Francisco for treatment of an injury sustained while serving in the Marine Corps.

Mr. and Mrs. Charles Matthews are back at Tahoe Vista after a winter vacation away from the lake.

Monday was dog day at Kings Beach as local men rounded up strays left by former lake residents. All dogs collected were taken into the refuge at Reno where it is hoped they will all receive good homes soon.

Mr. and Mrs. Walter Pope left last week for Fairfield where they will remain until summer.

Snowden Burch suffered a freak accident this week when his car slipped off the jack and caught him on the side of the head. He was taken to Carson City where it was found that stitches were necessary to close the wound.

Mac and Thelma Burroughs went to Fallon Sunday to visit their son, Preston, and his family. They found Preston had been in the hospital for some time without letting them know. He is improving now and they hope he will be entirely recovered soon.

There will be a joint Community and Sports Club meeting at The Burroughs Saturday night for final action on consolidation of the two clubs.

man, both of Sun Valley. Shaw said he has been knitting in his odd hours for two years and has made five sweaters while Wegeman is on his first.

Terry Tollefson was the first skier to exceed the 175 foot challenge which Bill Berry made before the meet. He stated that if any skier made over 175 on Olympic Hill he would "eat the tape". The club sent him a set of salt and pepper shakers to make it more palatable after Tollefson soared 176 feet only to be topped by Chet Zobrieski of Auburn with 185. Berry, like a good sport, posed for pictures after the meet trying to down the steel tape. The ski banquet which followed at Tahoe Inn was a jolly affair with delicious food of all kinds served buffet style. Chef Millard Powers, in charge of the feast, cooked four big hams and 14 chickens among other things. He estimated at least 150 persons were served. President Bill Bechdolt, Tournament director Walt Mandeville and Chief-of-hill Kjell Rustad and committee members are to be highly commended for the well conducted meet which found favor with contestants and spectators alike.

Members of the Lake Tahoe Ski Club gathered at a breakfast party last Thursday in the Tahoe Inn dining room to welcome home Terry Tollefson and James Morhain who represented the club at the intermountain and national ski jumping events at Ecker Hill near Salt Lake. Terry won third place in the class C intermountain and second in the nationals. President Bechdolt welcomed the skiers and members of their families and then turned the meeting over to the chairman. Clarence Tollefson gave an account of the Ecker Hill meets and proudly recounted the performances of his son which have earned him national recognition. Morhain had the misfortune to fall on Ecker Hill after a 175-foot leap and was unable to compete in the nationals. Speakers during the breakfast included Mulford Miles, president of the North Tahoe Rotary Club, Theodore Schlueter, Kjell Rustad, Tex Jones and Bechdolt.

Will ring off for the week with the hope that all our readers will heed the call of the Red Cross drive which opened tonight. We never know in whose back yard the next tragic emergency will fall and a helping hand now will assure the necessary help when humanity calls. My best to you all, as ever, Swanee

Tahoe Hosts—

Mr. and Mrs. Floyd Carnell of Tahoe Thursday evening entertained at dinner Mr. and Mrs. Carl Bechdolt Jr. and children and Bob Scates.

### CARD OF THANKS

We wish to thank most sincerely all those who so generously assisted us following the accident to our son Darryl. It was deeply appreciated.

Mr. and Mrs. Harold Stark, Tah

## Summit, Tahoe Districts Aided by Red Cross

AUBURN— Mrs. Gladys Robinson, chairman of the Auburn Red Cross chapter, last weekend released a 1948 activity report in conjunction with the drive for funds which opened this week. Among items cited directly effecting the Donner Summit and Tahoe areas covered by the chapter were:

Co-sponsorship of six first aid stations on Highway 40 in the Donner Summit area and training of personnel to maintain them. Enrolling of 129 in swimming classes last summer at Tahoe

with certificates to 51, entailing two paid instructors.

A Junior Red Cross chapter at Tahoe Lake school among 10 others in the chapter area.

All these and many other services are maintained through voluntary contributions. The 1949 quota for the chapter is \$9685.

Mrs. Stella Watson of Tahoe and Cam Rounage on Donner Summit are fund drive chairmen in the mountain section and will receive contributions from year around or seasonal residents of the area.

The United States annexed Wake Island in 1898.

### Summit Scene

by FRAN COJILLARD

Just about three more annual events that might be promoted on "Forever Forty"—that portion of the Old Donner Trail between Emigrant Gap and Truckee—and we won't be able to write a column at all, much less one a week.

The first annual March of Dimes Race was quite a success considering we gave ourselves such a short time to work it up. Plans for a much bigger program for next year are already in the making. Then came the Donner Sunday Slaloms. These races for novices and class B skiers are becoming pretty well known when youngsters from the valley and bay districts call up to inquire about entry blanks. Many really believe that if they could enter a race they stand a chance of winning. They are afraid to tackle the better known races for they

know their limitations. We believe that the youngsters running in these Sunday Slaloms are the racers of tomorrow, those who will help the program to promote winter sports that we are all striving for in a big way.

The Bay Area Federated Skiers held their first annual winter carnival at Donner Ski Ranch last weekend. After their races they journeyed to Truckee where they held their first annual show.

Truckee follows with its revival of the famous Dog Derby next weekend. Understand the money from this goes toward a new ski jump at Truckee which should be instrumental in making more annuals.

Cam Rounage of Cisco Grove announces his Donner Trail Memorial Race. The race starts at Donner Summit, will follow the Donner Trail as closely as possible. It will be the longest cross country ski event that has ever been attempted annually in the United States, ending at Emigrant Gap where the Donner Party first caught sight of the Bear Valley cut which meant release from the horrors they had been through. The race is to commemorate the rescuing parties who attempted to save the Donner Party from their frightful destiny.

Another annual is the Soda Springs Ski Hill Easter Egg race. Dennis Jones has put this affair on for years. Bud Zorich, ski school director, is planning a spectacle this year to carry on the tradition.

Speaking of Bud, did you see the half page spread of him and his accomplishments in a San Francisco paper? And the story of Dick Buek, our phenomenal

skiing prodigy?

A little over a month ago an ambitious group of people called am meeting to take over Donner Trail Winter publicity. With this year's excellent snow and the events that were being pulled out of the hat it was decided the skiing season could be prolonged another month or so with proper promotion. The money they have collected for promotion is in a separate fund for winter sports promotion only. The young group behind the movement is enthusiastic and entirely cooperative. Bud Walton, Cam Rounage, Glen Parsons, Gordon Hooley, Bill Vail, Bud Horak, Jean and Herb Coleman, Jerry Hiatt, the Vinds and Goicocheas, Kirby Schull, the youngsters from Ski High, down the hill as far as Lakeview Lodge.

Our Donner Racing Club is really putting out the stuff. With Dick Buek as their champion (Dick is on his way to the Nationals at this time), Maria Schuster, Nadine Neugebarger, Bob Griffith and several other ambitious youngsters in there pitching we look for the racing club to add to the Donner area laurels that are piling up this year. Our skiers spent several days at Yosemite for the Class B championships, returning with honors and a report of fun.

Rancho Sierra at Emigrant Gap plans for a swimming pool to be get under construction as soon as the snow leaves the ground. Don't see much of Jack and Alice Walsh for after a big weekend at Cisco they hie themselves down to Sleepy Hollow which they recently purchased.

Edvi Aro of the forest service helps Cam Rounage with his Donner Trail Memorial Race. We are sorry to hear Ernest Tschopp was headed westward to visit his mother who is ill. Jean and Herb Coleman struggle in their first year and report full houses.

Kiski Lodge is stretching with 47 children with their teachers from the Presidio Hill School in San Francisco. The Santa Cruz Ski Club has its inter-club race at Sugar Bowl. Hugo DelParo, an old mountaineer, stays in the area for a week to ski. Ellyn Flynn and Inez Ferrari stay at Donner Summit Lodge for a week where Inez stages a champagne party for her birthday.

From Sacramento and Oakland Dr. Kirscher brings four bus loads of Presbyterian Sunday

### Jinx Scores Against Stark Family

TAHOE— Trouble hounded the Harold Stark family last week. First their son Darryl broke an ankle while skiing. Then on Friday some lacquer was spilled on the kitchen stove and burst into flame. Darryl threw the blazing mass into a waste basket near the stove while his little sister called Mrs. Stark. The fire department was summoned and was soon on the scene. Damage was confined to a hole in the kitchen floor.

Volunteer firemen who responded included Chief Al Henry Jr., Bill Bechdolt, Oscar Quam, Bob Pomin, Verne Bartell, Basil Kehoe Jr., Al Randolph, Joe Henry and Pete Vanni.

### Former Lake Dwellers Married in City

TAHOE— A quiet informal wedding in St. Ambrose Church at Albany on February 26 united Ruth Shifton and Carlo Vanni, both former Tahoe residents now living in San Francisco. Only immediate members of the family attended the rites, performed by Father Charles Jackson. The bride was attended by her sister Dorothy Sedgley of Auburn and Pietro Vanni of Tahoe was his brother's best man.

The groom's mother, Mrs. Diamanta Vanni of San Francisco was a member of the wedding party which enjoyed dinner at the couple's new home in South San Francisco.

From Sacramento— Mrs. Noel Porter of Sacramento recently enjoyed a weekend at Tahoe at the home of her daughter, Mrs. Herman Rauh and family.

Dinner Party— Mr. and Mrs. Charles Warner Sunday evening hosted a dinner and bridge party for the Charles Crosses and the Herb Matthews of Tahoe and the Ray Scotts of Truckee.

School youngsters for their annual Washington's Birthday outing. We counted over 100. Bud Horak and Tony Donadio of Donner Summit Lodge worked overtime to make the outing a success. The group owns the four buses and has its own ski club within the church.

### Tahoe Area Youngsters Honored at Parties

TAHOE— Last Thursday Jay Stuart of Lake Forest was given a dinner party by his parents, the Jake Stuarts for some of his friends including Clifford Dockham, Philip Ebe, Jerry Quam and Lewis Fellows. The latter two were overnight guests.

On Tuesday one-year-old Pat, son of the Lincoln Dempseys of Lake Forest, was given his first birthday party with a big cake and candles. Members of the family were present. Pat was born on February 29, 1948.

### Lake Tahoe Ski Club Schedules Nominations

TAHOE— Bill Bechdolt, president of the Lake Tahoe Ski Club, has called a meeting for Friday night at Community Hall where a nominating committee will be chosen. All members are asked to attend. Although the election will be held April 1, no nominations will be accepted later than the meeting March 25.

Bechdolt presided at the club meeting Friday night last which was devoted to discussions of the weekend ski tournament at Olympic Hill. Refreshments were served at the conclusion of the business session.

### Hills and Vales Near Donner Summit Are Named Officially

Five geographic anonyms in the Donner Summit area of the High Sierra have been rescued from oblivion by the board of geographic names which approved names for the two peaks, two ridges and one valley at the request of the army engineers in an effort to simplify a watershed survey.

All the points are in the Tahoe National Forest and the forest service concurred in the selections. The points are:

Castle Peak, 9100 feet, three miles northeast of Soda Springs. Andesite Peak, 8200 feet, two miles north of Soda Springs. Andesite Ridge, extends southeasterly a mile from Andesite Peak to the bend of Castle Creek.

Boreal Riage, extends almost two miles northwesterly from Lake Van Norden.

Uhlen Valley, two miles long, extending northeasterly from Lake Van Norden and containing the lower course of Castle Creek.

The board also approved these variations of names already in common use:

Castle Pass, between Castle and Andesite Peaks 2½ miles north of Lake Van Norden.

Euer Saddle, a mile north of east end of Boreal Ridge, western access to Euer Valley. Not Euer's Valley. Also Euer Valley, almost two miles long, three miles north of Donner Lake, draining into Prosser Creek to the northeast. Not Euers, Euer's or Evers Valley.

### TAHOE ITEMS

Mr. and Mrs. Dave Gordon of Auburn were among those attending the Tahoe ski meet over the weekend.

Mrs. Dick Carnell and little son John Richard left Tahoe on Sunday for Woodland to visit her parents, the Tom Walkers. Walker is reported critically ill at the Woodland Clinic.

Mr. and Mrs. Charles Cross left the lake Monday for Oakland where they both will receive medical treatment. Recent visitors at

their Tahoe home were their children, Sally and Chal, and Miss Pat Wilson from the University of Nevada at Reno.

The Dr. Lee Hand family of San Francisco and Timberland were vacationing at Soda Springs last week and came by Tahoe to take a look at their summer cottage enroute back to the bay city.

### 54 Inches of Snow Still On Ground at Tahoe

TAHOE— The lake level Monday morning was 6224.44 with 150 CSF of water leaving the gates. Snow on the ground measured 54 inches, 1½ inches falling Saturday night. Precipitation for the week prior was .47 of an inch. Coldest day of the period was the 22nd with 17 degrees; warmest was the 25th with 45.

Naval Reserve Air Arm  
The Naval Air Reserve has 2183 planes of all types.

### Scientist from U. of N. Studies Earthquake Effects at Floriston

FLORISTON— Prof. Vincent Gianella of the University of Nevada has made two trips into Floriston to study the effects of the winter's earthquakes in this part of the country. Byron Miller and Vernon O'Brian had been telling him of the damages done and

was interested enough to accompany them to Floriston to look it over, then made another trip by himself.

He asked Mrs. Thomas Kelleher, local store keeper, to keep a record of whatever tremors that could be felt here.

About 1:30 a.m. Sunday there was quite a landslide on the highway just across from the parking area. John Knapp hap-

pened to get up and saw all the traffic stopped and called the highway department. Equipment was sent immediately to clear the road. Traffic was stopped for about an hour.

Mrs. Katherine Craig of San Francisco has been visiting her son and his family, the Wesley Craigs of Floriston.

## Cheaper than Dirt

Safe and pure water from a public water supply system is literally cheaper than dirt.

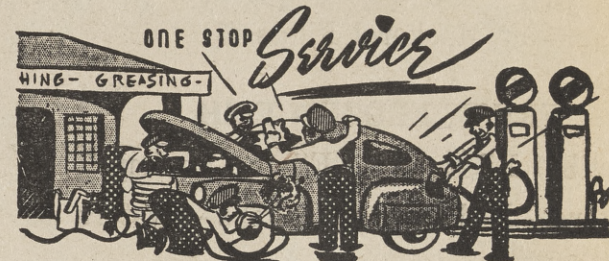

A ton of it (240 gallons) costs less than 10 cents. A ton of dirt dumped in front of your home would cost many times ten cents for trucking alone.

This low cost is more remarkable when you consider it includes collecting, storing and delivering right to your fingertips.

Water service is too often taken for granted.

**Editor Spoke—**

Mr. and Mrs. Eugene C. Stowe of Downieville visited his brother in law and sister, Mr. and Mrs. Walter Barrett, Monday on their way home from San Francisco. Stowe, owner of the Mountain Messenger, was a speaker on a bay city radio broadcast February 24.

**RUTHERFORD GETS HIGHEST PRAISE IN SCHOOL'S HISTORY**

Writing in the North Sacramento Ferris Wheel column of the North Sacramento Journal, John M. Lee puts a high valuation on the efforts and abilities of William Rutherford, now the operating owner of Donner Summit Lodge and a member-elect of the new unified school district board of trustees in this area, as an educational executive.

The columnist, in reviewing the history of Grant Union High School at North Sacramento, gives credit to the local man by saying:

"Today Grant Union stands as a monument to Bill Rutherford and the pioneer spirit of the district in which it stands. Grant Union is a fitting reward for the strenuous efforts of those men who were active in its founding."

The editorial recites the fact that 750 voters favored the formation of the district with 25 against it in 1931, but that a short time later a vote for a bond issue of \$250,000 blasted the hopes of the proponents when the issue lost.

It was then, Lee writes, that the board decided that they had better secure the services of a professional school administrator and subsequently requested "a man by the name of William Rutherford" to consult with them in solving the problem.

"Rutherford did this," the editorial declares, "with the result that it was found that a \$150,000 bond issue would be sufficient. Rutherford proceeded therefore to educate the people and acquaint them with the facts in the case, pointing out the advantages and benefits to be derived from the high school. As a result the second bond issue was approved by a 4 to 1 vote. On the next day the board named Rutherford principal of the Grant Union high school."

The article continues that Rutherford and the board decided to start school immediately and without a penny, but with a strong will to continue and succeed the impoverished plant was opened.

"Through the individual efforts of Rutherford the school district was fortunate in gaining the support of the federal government's Public Works Administration in making plans for new buildings as well as state relief funds in developing the plant and grounds."

Grant Union was officially opened September 12, 1932, with 586 students. Today it is considered one of the foremost educational centers in California from all standpoints, Lee indicated.

**Tahoe Gun Club Forms With Sorenson Prexy**

**KINGS BEACH—** A group of men met last Thursday evening at the Tahoe Sportsman to form a Lake Tahoe Gun Club. Andy Sorenson is acting president and H. E. Brooks secretary-treasurer. There are already 43 members and the charter is being held open until the election meeting on March 10.

All interested are invited to contact Brooks as soon as possible. The group is holding a shoot next Sunday at the Sorenson trap on the beach at Tahoe Vista.

**Legislators Here—**

State Senator Harold Johnson and Supervisor J. B. Paolini of Roseville and Assemblyman Francis Lindsay of Loomis were Truckee visitors Friday en route to a water rights conference in Reno.

On farms established by the U. S. Naval Government on Guam, American sailors instruct natives in modern agricultural methods. The produce from the farms is used for Naval personnel and the rehabilitation of the natives. In photo above, a seaman, first class drives some pigs to feed. (Official Navy Photograph)

**Rotary Ladies Night Scheduled on Monday**

The local Rotary Club will hold a ladies night session at Donner Lake Lodge next Monday, March 7 at 7:30 p.m. Members of the 20-30 Club and their ladies will be guests. Ernie Nevers, of football fame, will be guest speaker and James Sherritt will again present his recorded history of Donner Summit.

Program chairman for the February 28 meeting was Clarence Tollefson and Fred Morris showed a colored movie travelogue entitled "The Shortest Way Home." Herb Mattheus presided in the absence of President Ernest Tschopp.

**Expected Home—**

Miss Olga Owens of Millbrae is expected to spend the weekend with her mother Mrs. Lawrence Owens.

**At Surgeons' Convention—**

L. D. Nelson, M.D., returned today from southern California where he attended a convention of surgeons.

**Attending Hearing—**

R. N. Little, John Richards, Jack Rose and Walter Barrett were called to Nevada City this morning as witnesses in an industrial accident commission hearing.

**Twins Birthday—**

Richard and Robert Preston, twin sons of Mr. and Mrs. Wm. Preston, observed their second birthday on Monday, February 28.

**In Roseville—**

Mrs. Eliza Campbell who has been in Oakland for several months has written the Sierra Sun that she has changed her address to Roseville.

Former Residents— Earl Johnson and Mr. and Mrs. Al Bradshaw of Roseville and former Truckee residents were visiting here Tuesday.

Tarzan

by EDGAR RICE BURROUGHS

AS TARZAN'S ARROW STRUCK THE GROUND, THE TRAITOROUS ORANG-KIMBA FLED IN TERROR. TOTAMA, PARALYZED, STARED AT THE QUIVERING SHAFT.

TARZAN DROPPED TO THE GROUND BEHIND THE WITCH DOCTOR. WHIRLING AT THE SOUND, TOTAMA RECOGNIZED THE MAN HE THOUGHT DEAD.

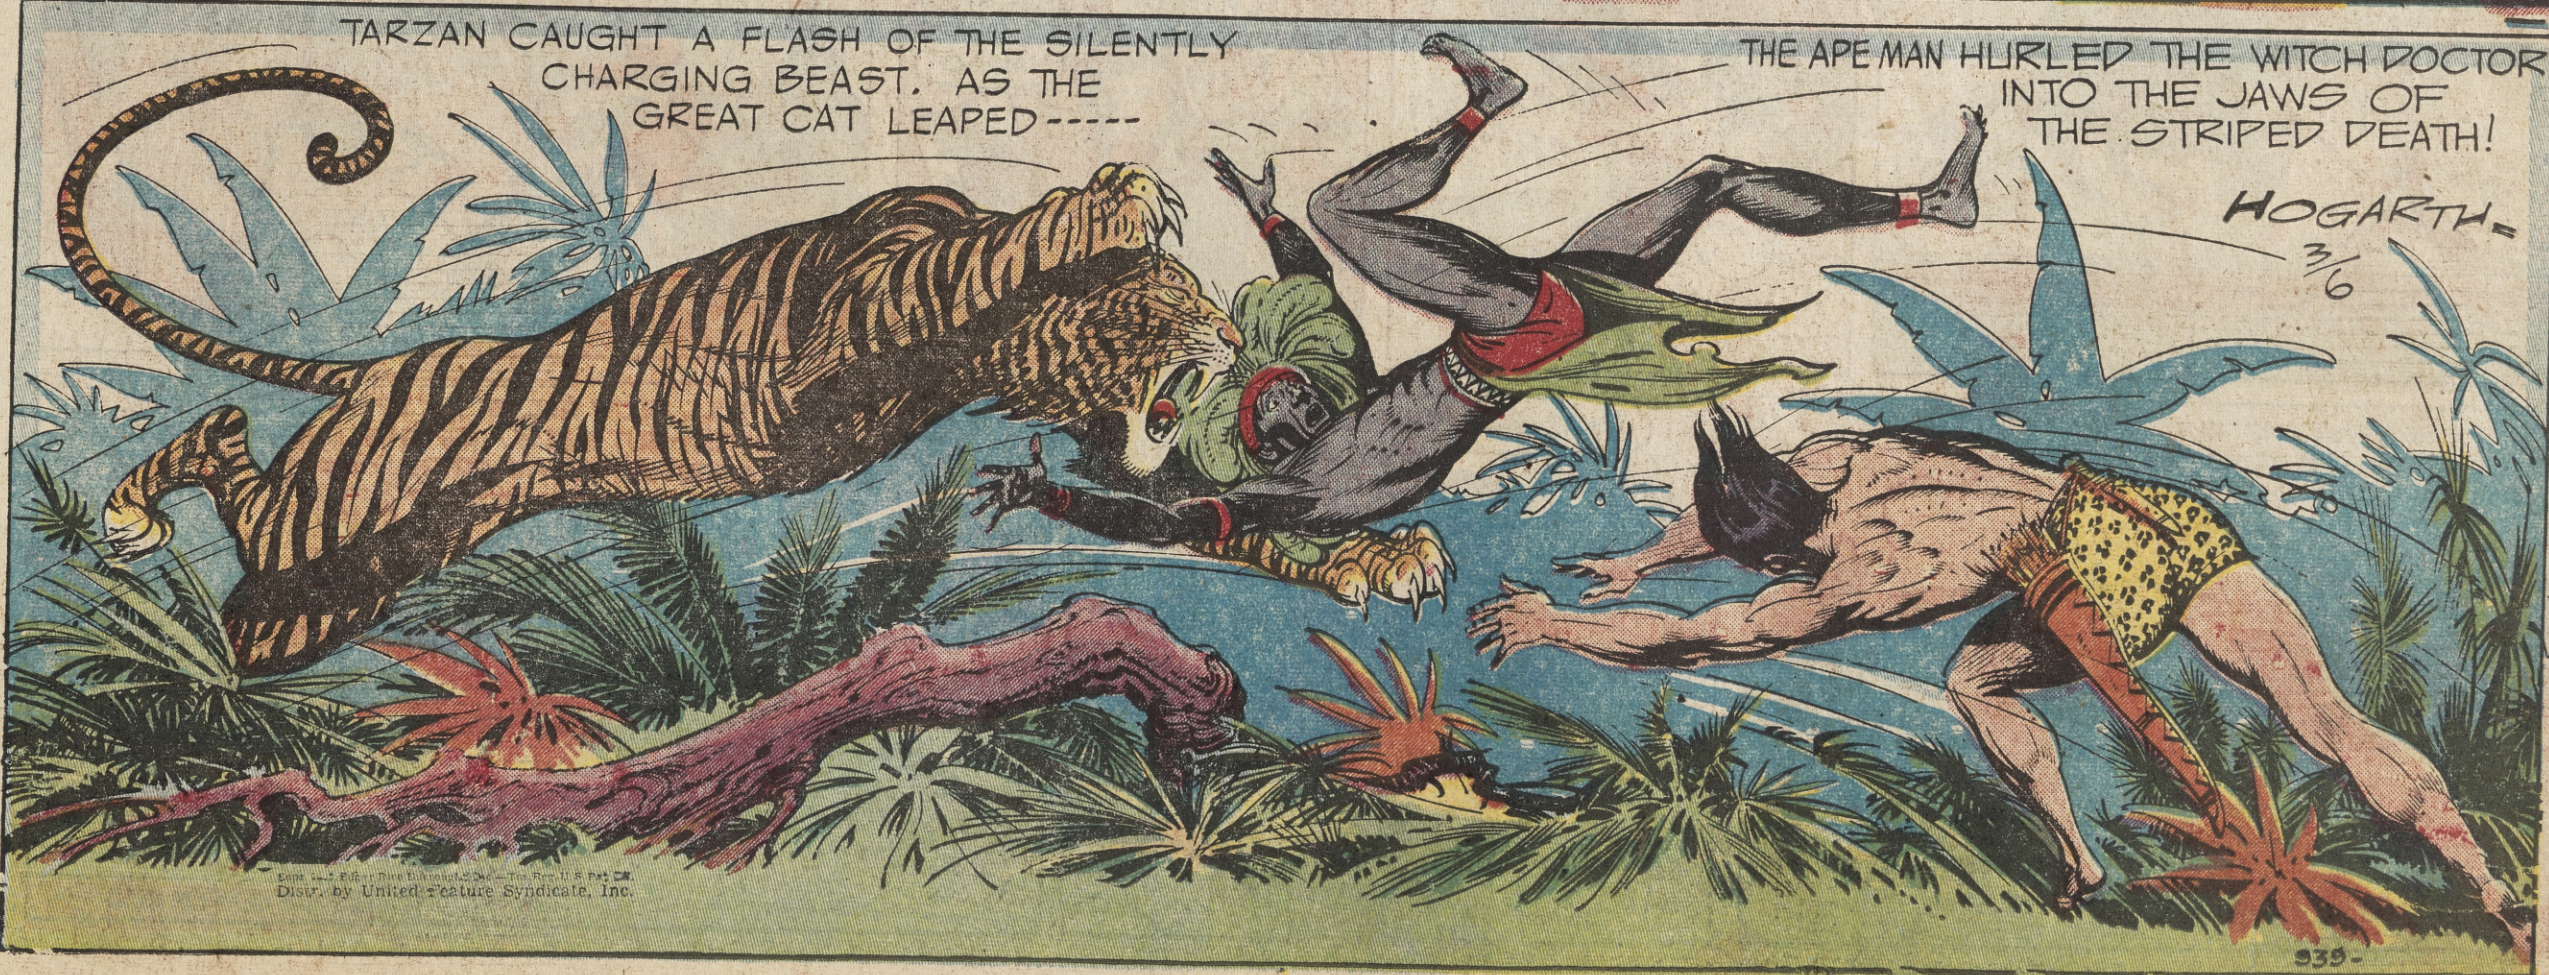

SNARLING VICIOUSLY AS HIS SPEAR MISSED ITS MARK, TOTAMA DREW HIS KNIFE AND LEAPED AT THE APE-MAN.

REALIZING TARZAN KNEW OF HIS PLAN TO BETRAY HIS PEOPLE TO THE LAHTIANS, TOTAMA FOUGHT DESPERATELY.

AS THE MEN STRUGGLED DEATH MOVED STEALTHILY TOWARD THEM FROM THE EDGE OF THE FOREST

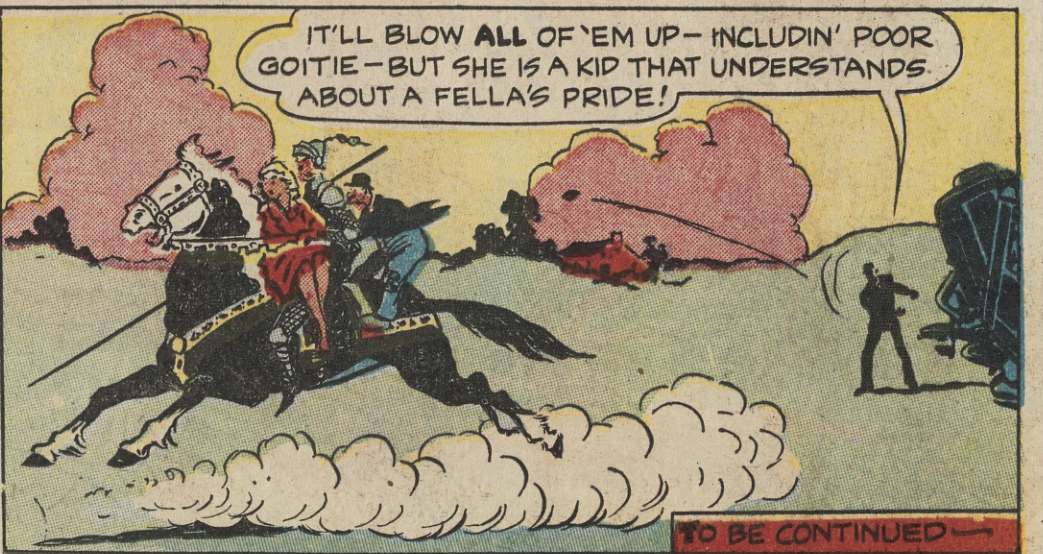

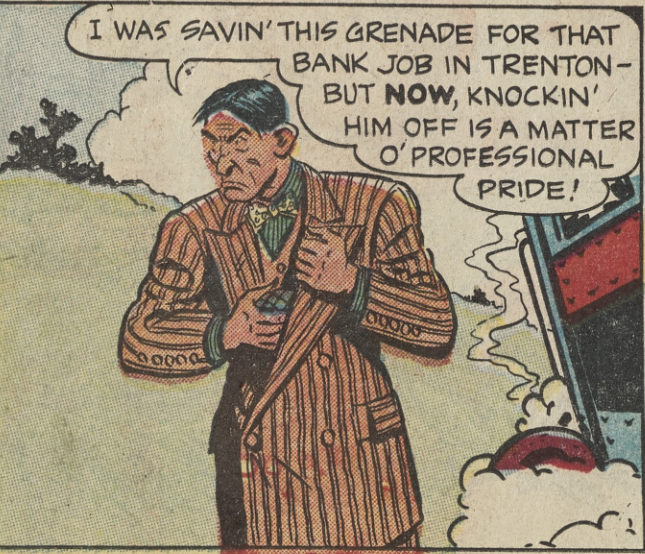

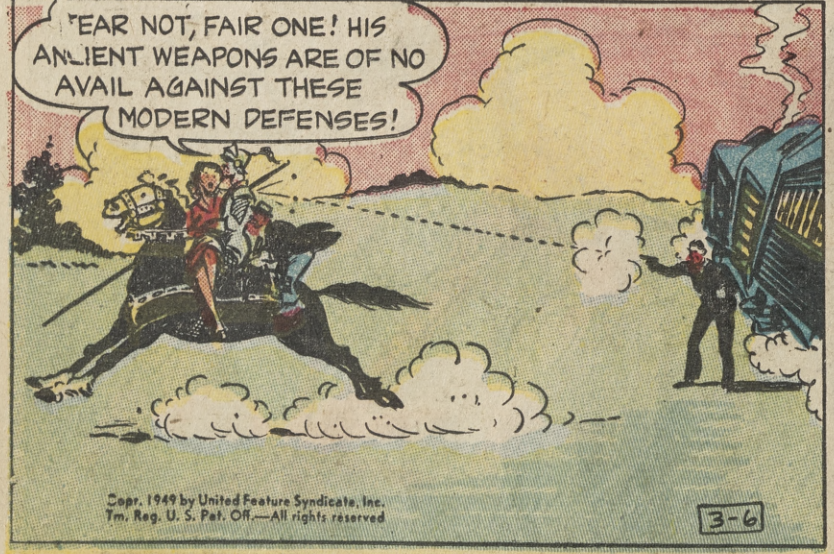

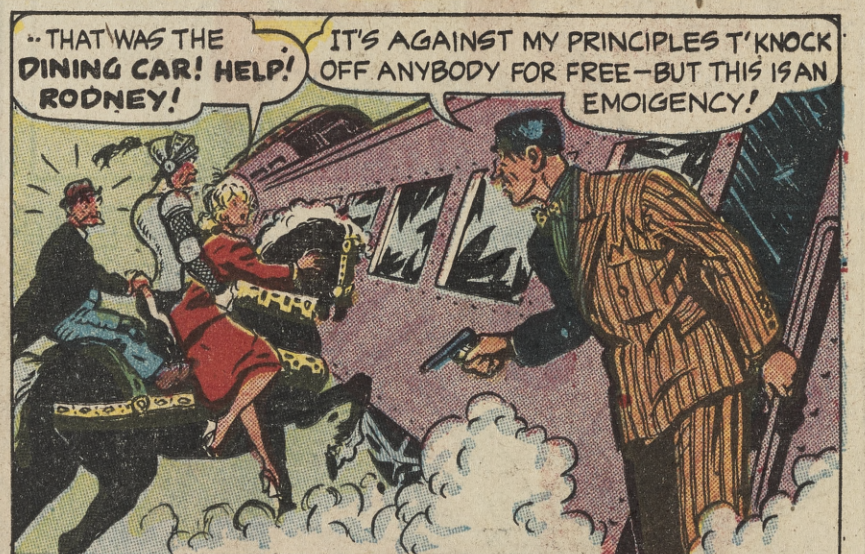

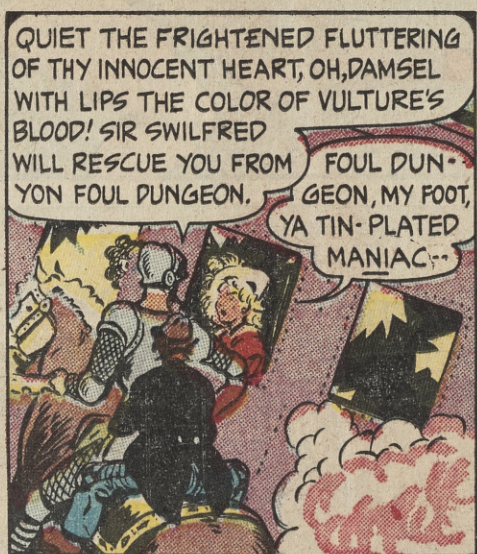

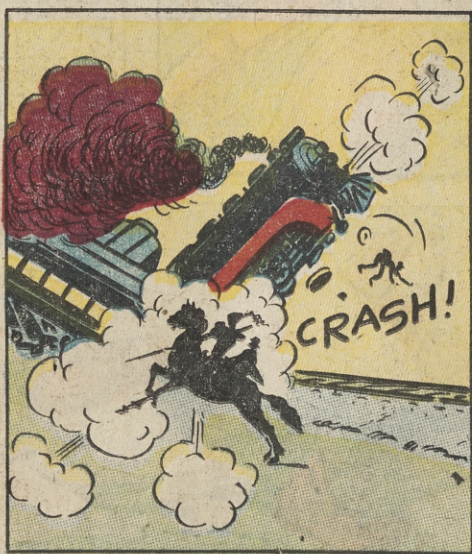

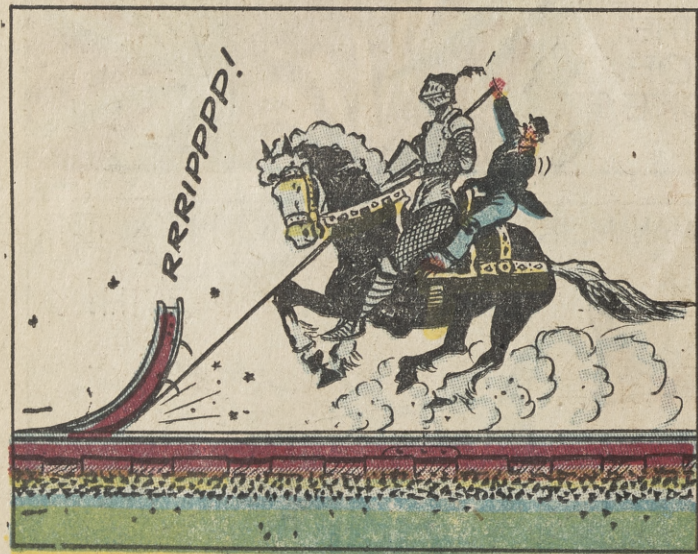

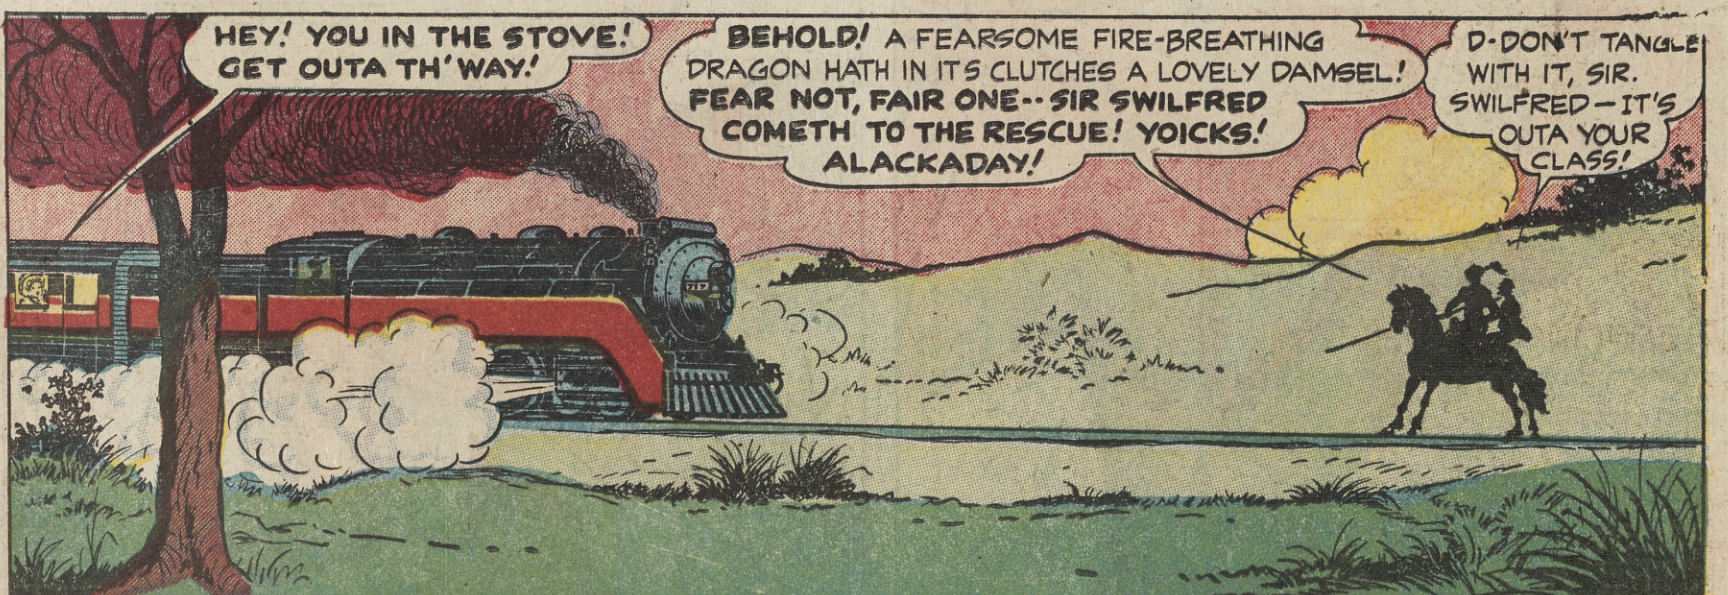

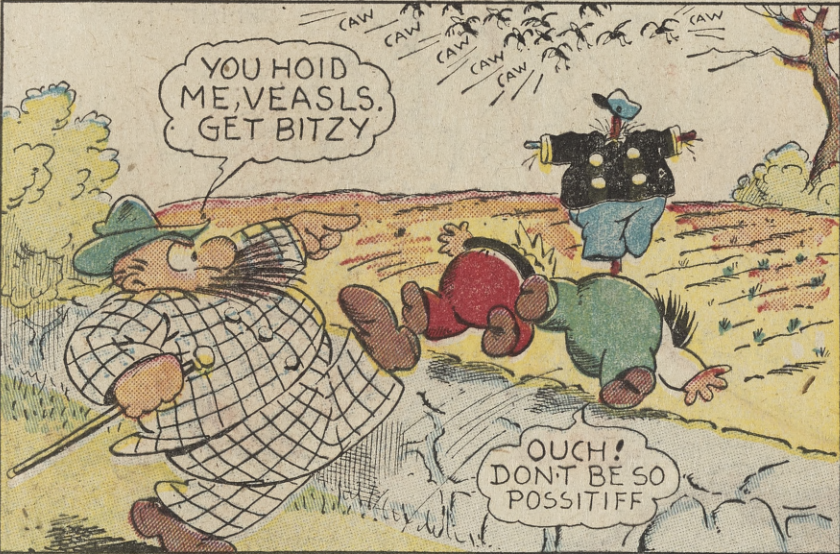

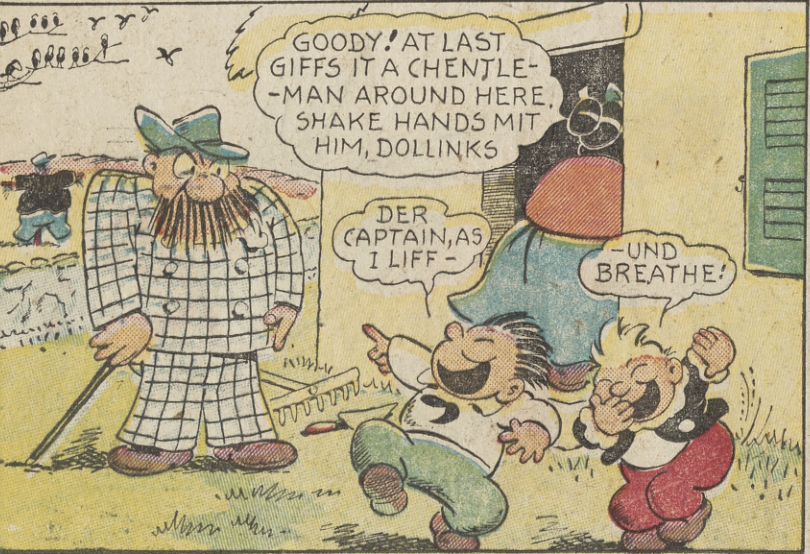

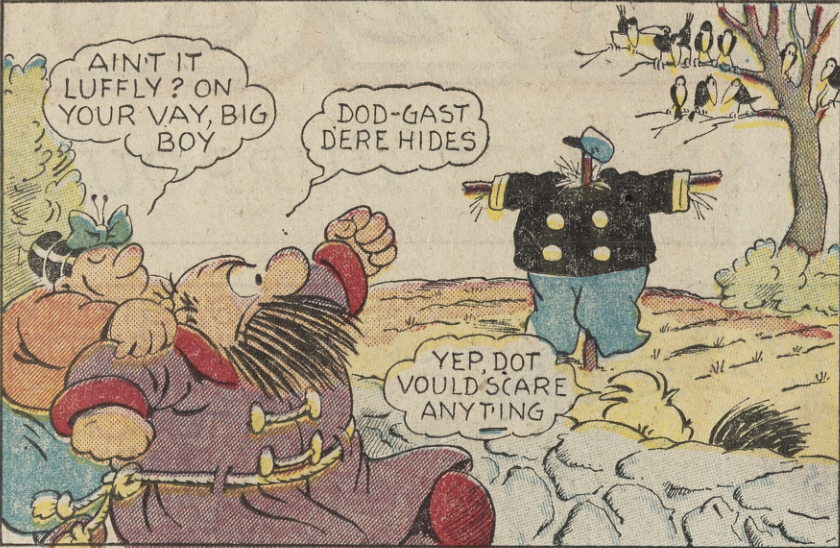

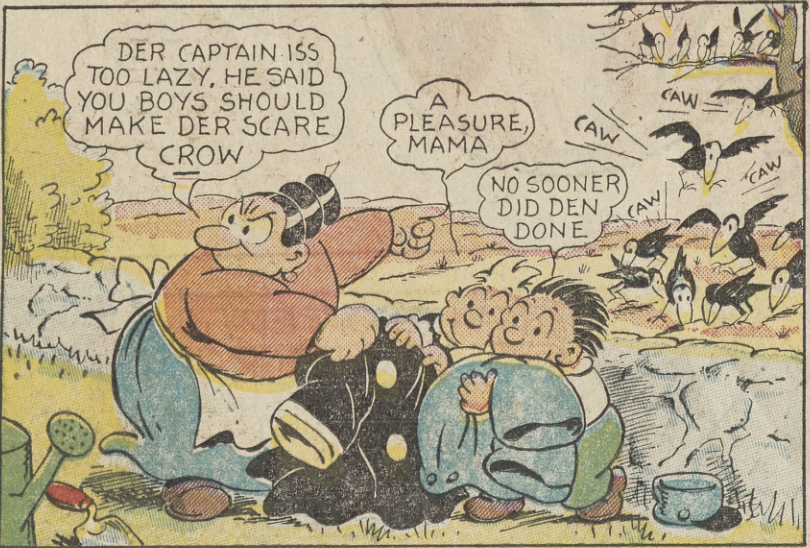

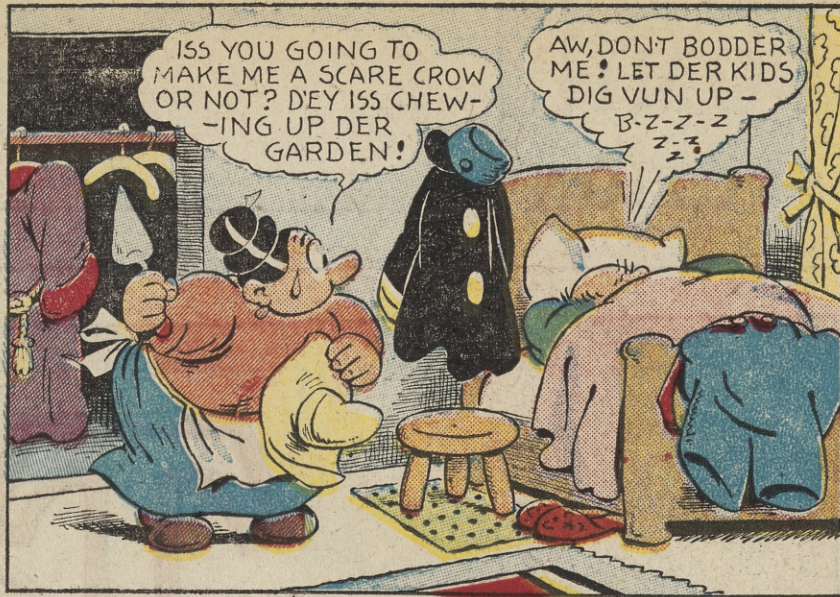

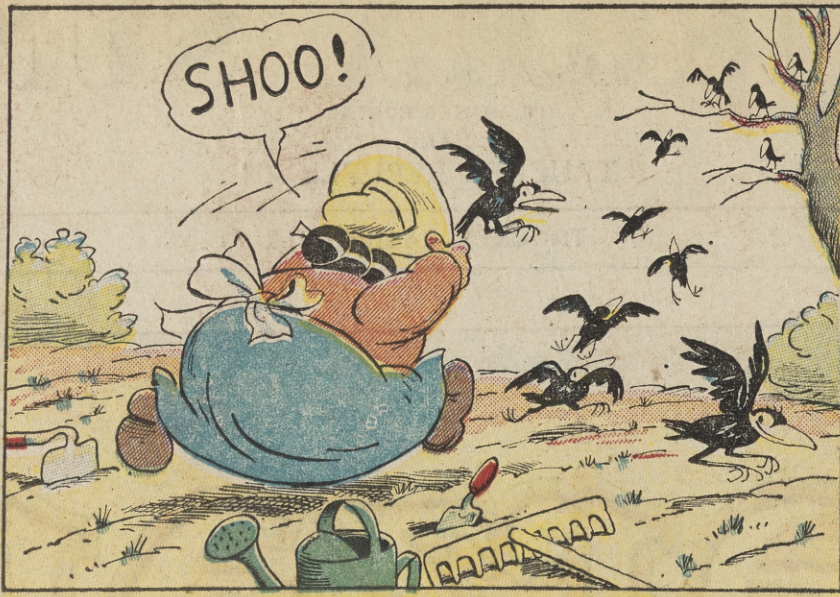

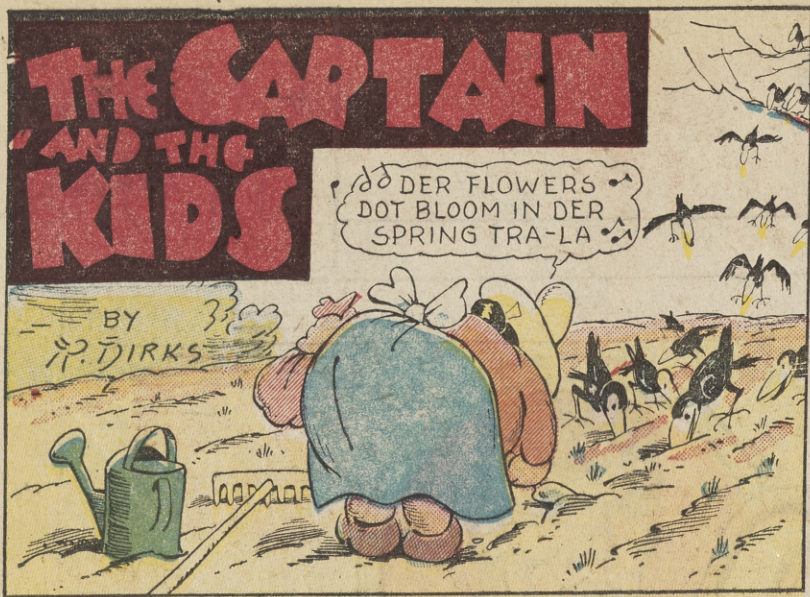

TARZAN CAUGHT A FLASH OF THE SILENTLY CHARGING BEAST. AS THE GREAT CAT LEAPED-----

THE APE MAN HURLED THE WITCH DOCTOR INTO THE JAWS OF THE STRIPED DEATH!

WE'LL PARK TH' CAR HERE  
AN' TAKE A LITTLE HIKE!  
SWELL, LE'S HIKE DOWN  
TOWARD THAT RIVER,  
UNCLE JOE!

GOSH, THA'S  
PRETTY, ISN'T  
IT!  
SURE IS! THA'S TH' SANTA ANA RIVER AN' OVER  
THERE IS TH' PRADO DAM!

WHAT KIND OF  
FRUIT GROWS  
ON THOSE TREES,  
UNCLE JOE?  
ORANGES, LEMONS, GRAPEFRUIT! THEY ALL  
DO WELL HERE AT CORONA! TH' TOWN IS  
JUST TH' OTHER SIDE OF THOSE GROVES!

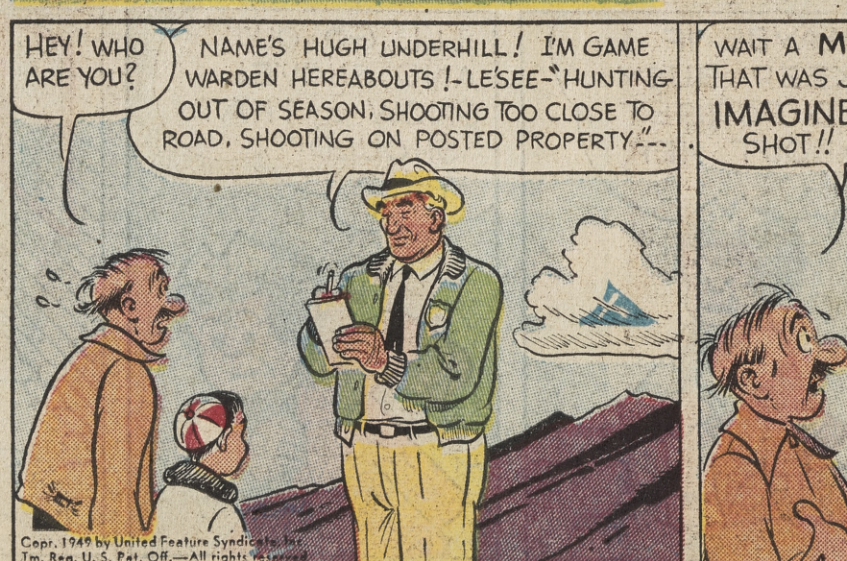

WHAT DOES  
CORONA  
MEAN?  
IT'S A SPANISH WORD MEANIN' "CROWN," I THINK!  
USED T' BE LOTS OF GOOD HUNTIN' AROUND HERE,  
TOO! PHEASANTS AN' GUILA ESPECIALLY!

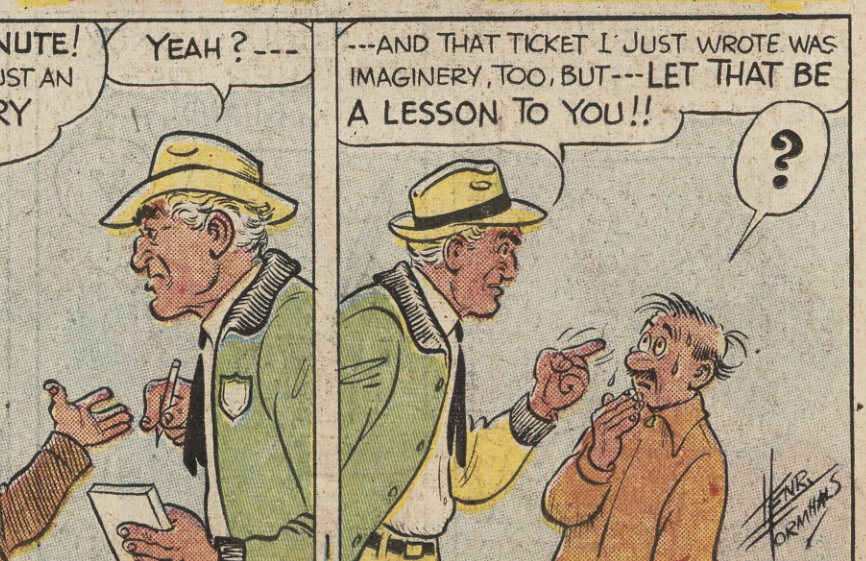

HOW COME  
"USED TO  
BE"?  
SAME OL' STORY! TOO MUCH CIVILIZATION! BRUSH  
CUT AWAY T' MAKE WAY FOR ORCHARDS! NEW  
STREETS AN' HOMES GOIN' IN EV'RYWHERE!

LOOK,  
UNCLE  
JOE!-A  
PHEASANT!  
BANG!  
GOT  
'IM!  
AHA!  
CAUGHTCHA  
IN TH' ACT!
